You Are Invited to Attend our Next Monthly Meeting

The Healing Power of Art

Guest Speaker:

Ellen Stirling, RN, MSN, ATR

Ellen has helped children and their families deal with grief and loss since 1974 both as a Master's level nurse and a Registered Art Therapist. She has helped her clients discover their own paths using art therapy since obtaining her Master's degree in art therapy in June 2003. Ellen has presented on topics of grief, bereavement, and art therapy to a variety of audiences, professionals (mental health, child abuse, hospital, hospice and schools), and community organizations. Most recently she has worked with skilled nursing professionals and adult community groups presenting Advance Care Planning workshops.

Our meetings...

Consist of brief business, educational component with guest speakers & opportunities for networking. As a collaborative team, we work toward identifying needs in our county, host educational programs for the community with a focus on advance care planning, palliative care, end-of-life care and bereavement.

We also have an active speakers bureau who are available to present at local events or organizations on a wide range of topics. See our website for details.

No commitment needed, feel free to join us for a meeting to see what we are about!

We would love to meet you!
